PEKING 029

August 7, 1973

TO: HENRY KISSINGER

FROM: David Bruce

1. Prince Sihanouk has informed his office Peking of changes from his previous plans.
2. He now expects to return to China on August 12 for a medical check in Tientsin, then proceed to Peking August 17. He has postponed his visit to Iraq and the Middle East until after the non-aligned summit conference in Algiers at present slated to commence on September 3. If Sihanouk runs true to form there may be further changes.
3. Warm regards.
